Refer to (v3i5-Page 45) and list **10 MEDICAL SUPPLIES** you have set aside for the sole purpose of bartering:

Refer to (v3i6-Page 25) and list **10 LONG TERM BARTER ITEMS** you have set aside for the sole purpose of bartering:

Refer to (v3i6-Page 22) and **USE A LOCAL MAP** to identify 3 locations for **A TRADING POST** in your near-by area.

BONUS: Refer to (V3-I5-P18) and **ESTABLISH A P.A.C.E. ROUTE** to and from those locations.

1 **MAKE AN INVENTORY OF BARTERING GOODS**

See (v3i5-Page 8)

Make an inventory of Bartering Goods you have in your preps that are not part of your own supplies but rather items that are solely set aside for bartering purposes.

2 **WRITE DOWN A LIST OF INDIVIDUALS**

See (v3i6-Page 4, 12)

Write down and list of individuals you want to include in your Bartering Network. Also list individuals you would like to add into your network. Then map out your network and identify where there are weaknesses or areas of needed diversity in your network.

3 **WRITE DOWN WHAT SKILLS YOU CURRENTLY KNOW**

See (v3i6-Page 4, 12)

Write down what skills you currently know that could be marketed as a barterable trade item. Then work on adding to that list and see out training that could benefit to making your skills a more valuable and barterable commodity.
